

CARBONDALE.

BOILLA FELL ON HIM.

Alonso Foster, of Mitchell avenue, met with a painful accident yesterday morning while at work with John Ryan's gang who are taking out the gravel engines and hoisting apparatus at No. 4. In some manner a boiler front, weighing fully 90 pounds, fell on Mr. Foster's right foot badly lacerating the member. Mr. Foster was removed to his home and his injuries ared for, but he is very weak from the loss of blood and it will be some weeks before he is able to resume work again.

THE FARVIEW SEASON.

The Delaware and Hudson company has booked the Ancient Order of Hibernians of Lackawanna county for Farview on June 29; the St. Lawrence Catholic church for July 28, and the Mozart band for Labor day. The company will, as usual, conduct the Memorial and Independence day excursions. This announcement will remove all doubt as to the future of Farview, which it was thought might be abandoned.

PREPARING FOR SCRANTON.

On the 20th, the Carbondale and Scranton schools will debate this subject, "Resolved, That high schools for boys and girls should be separate." The local students are preparing for the occasion, and yesterday afternoon a number of girls took the affirmative and defeated the boys who undertook to defend the negative.

JERMYN.

The fair, under the auspices of the Sacred Heart church, will undoubtedly be well patronized this evening, and the musical committee in anticipation of a large attendance have secured an excellent array of Scranton talent for the entertainment as well as seen by the following programme: Piano solo, Miss Teresa Loftus; recitation, Miss Agnes Callahan; vocal solo, Miss Marie Gilligan; piano solo, Miss Nellie Curran; vocal solo, Mr. Will J. Burke. A tough from the Greenfield district, who has been hanging around some of the saloons for the past few days and making considerable disturbance, fell into the hands of Officer McFinty Thursday evening, and was landed in the borough lockup. Yesterday morning he was taken before the burgess, but as he had no money to pay a fine he was told to get outside the borough limits.

The district teachers' institute to be held in the high school building this afternoon ought to be largely attended as several visitors down on the programme to deliver addresses are fluent and interesting talkers whom it is safe to say will have something of interest to impart. Among those who are to take part are City Superintendent Geo. Howells, of Scranton, and Professor Fible, principal of the Stroudsburg Normal school. This evening the Franklin Literary society, an organization of the senior pupils of the schools, will hold a public entertainment in Enterprise hall. The programme has already been published. Admission to the parents and friends of the scholars will be free and they are asked to show their interest in the work and encourage the young people by their presence. A collection will be taken up at the close of the entertainment to defray the expenses of the hall, etc.
